

# Jasper Place School Calendar 2020-21

## School Vision

At Jasper Place High School we are serious about student success and committed to providing a positive learning environment that will foster and support high expectations and excellence in student achievement, behavior and service.

We believe that success is best achieved in an atmosphere of mutual respect and trust supported by a partnership among students, staff, parents and community members that reinforces academic learning, citizenship skills and student responsibility.

## Respectful Learning and Working Environments

Edmonton Public Schools, in co-operation with its staff groups, is committed to a creating a healthy, respectful learning environment for students, staff members, trustees, parents, volunteers and contractors. We recognize the worth of every person without discrimination. We are committed to working toward the elimination of objectionable behaviour in our schools and workplaces, and to maintaining an environment that is respectful, safe, nurturing and positive for everyone. Please help us achieve this goal by interacting in a manner which respects the dignity and value of others.

# TOP REASONS TO BE AT JASPER PLACE HIGH SCHOOL

We're one of the biggest high schools in Western Canada. That means we're able to offer more to our students. These are just a few of the reasons we think you should be at JP.

**You can be yourself.**

Students tell us they feel they can really be themselves at JP and that makes us proud. Everyone feels like they have a special place at our school — we learn from each other, respect each other and celebrate our differences.

**Our staff love their jobs.**

Our teachers have received provincial, national and international recognition for excellence in teaching. Teachers, counselors, administration, and other staff are dedicated to helping everyone succeed. Our students tell us that makes the difference in ensuring a great high school experience.

**You'll have the opportunity to be challenged.**

Research has shown that AP students are better prepared to handle the academic rigor experienced at university!

**We'll prepare you for the future.**

We provide you with the tools you need to succeed after high school. Our unique course offerings, modern technology, and state of the art facilities will give you an edge and ensure our graduates can compete with the best in the world.

**You can work while you study — and earn credits doing it!**

Explore a future career through our Work Experience program or RAP, our Registered Apprenticeship Program where you can receive on the job training and experience.

**You can get involved.**

Belt out a tune at our talent show, or use your charm to help raise funds for charity! Each month, student leaders organize energizing activities for staff and students to build school spirit.

**We give you the chance to explore your interests.**

With more than 100 courses to choose from, and more than 50 clubs and teams to join, we know you will find something for you. Choose options like Guitar, Cosmetology, or Web Design. Are you going to try out for the Wrestling, Cheer, or Football team? You might find students just like you in the Book Club, Theater Club, or Ski Club. We have it all!

**Rebel pride.**

You can see Rebel pride in all aspects of student life at Jasper Place. You can hear it when the crowd roars in support of our athletes. You can see it in the bright red shirts, face paint, and posters throughout the school. We're bold, confident and proud. We are Rebels!

## Student Services

What can school counsellors do for you? The counselling department at Jasper Place provides a number of services for students and parents:

### Scholarships

We are very proud of student achievement at Jasper Place High School. Students are encouraged to start working toward scholarship requirements during their grade ten year, as there are often community service or leadership components that must be completed. Scholarship information is available on the website. Scholarship information will be available in a brochure in Student Services later in the year. Counsellors will assist students to research the multitude of scholarships available, and to write effective applications.

### Educational Planning

Choosing the right set of courses for high school can be challenging, but is crucial to future success. A counsellor can inform students of the requirements for university or other post-secondary institutions, help identify strengths and interests, and create a plan for high school.

### Career Awareness

Students who have not created a list of potential careers, or who do not see how high school will help them reach their goals are at greater risk for low achievement or dropping out of high school. Career tools such as interest inventories and job information banks help students plan for their future.

### Academic Assistance

Students who are struggling with course work are encouraged to seek help. The first source of help is the classroom teacher. Beyond that, Student Services provides study skills information and counsellors will work to provide support and make connections with ACCESS and outside tutors.

### Personal Counselling

Problems that students may encounter are varied but often a conversation with a counsellor can help. Counsellors are experienced in helping students see problems clearly, and in identifying potential solutions. Where more intensive help is needed, students are referred to appropriate agencies.

### Career Centre

Career information and assistance, designed to help students research their career goal, will be available through Student Services. Counsellors are available to help students research post-secondary, scholarship, careers information, and complete applications.

Work Experience and RAP programming is provided through Mr. Elliott in Room 155a.

## GENERAL INFORMATION FOR STUDENTS

### ACCESS (LRC)

The ACCESS centre is a program that oversees students taking courses by modules to either upgrade or complete a course in their program. The tutoring program provides students with volunteer student tutors available throughout the day. Any student can access this great program on a drop in basis, and we welcome students who want to study, use a computer or work in ACCESS before school, lunch, after school or during a spare.

### Athletics

There are many school athletic teams, and these include Badminton, Basketball, Cheerleading, Cross Country Running, Football, Rugby, Track and Field, Soccer, Volleyball, etc. If you are interested in taking part in any of these events, please contact the Athletics office for more information.

### Attendance

Regular attendance in class is one of the most important contributing factors to student learning and student success. Students are expected to be in every class, on time, every day unless they are approved to be away. Possible reasons may include field trip, illness, or bereavement. Parents must contact the school if the student is away from school for illness or personal reasons before the absence starts. All absences from class will be recorded. Student absences will be reported daily on SchoolZone. Parents can request a printout of their child's attendance at any time through the general office or access this information on SchoolZone (<http://schoolZone.epsb.ca>). Students are responsible for all course material missed while absent for any reason, and there may be consequences for unexcused absences.

### Awards and Scholarships

There are a wide variety of scholarships and financial assistance available. Please talk to our Counsellors in Student Services or view the list of awards on the school website ([jasperplace.epsb.ca](http://jasperplace.epsb.ca)).

### Behavior

Appropriate behavior is required from all students. Students are expected to respect all staff, all students and their property, and school authority and school board property.

### Student Code of Conduct

Students shall conduct themselves so as to reasonably comply with the following code of conduct:

- a) be diligent in pursuing their studies;
- b) attend school regularly and punctually;
- c) co-operate fully with everyone authorized to provide education programs and other services;
- d) comply with the rules of the school;
- e) account to their teachers for their conduct;
- f) respect the rights of others;
- g) carry I.D. card at all times; and
- h) Cellphones are to be used only during non-instructional time, and are not permitted in instructional areas such as the General Office, or the LRC. At teachers discretion, such devices may be permitted for educational use in the classroom.

Failure to follow any of these expectations may result in detention, suspensions and/or a recommendation for expulsion from the school.

An Edmonton by-law makes it illegal to bully and harass others. The bylaw defines bullying as "repeated intimidation of others by the real or threatened infliction of physical, verbal, written, electronically transmitted, or emotional abuse."

### Bicycles

Please ensure your bike is securely locked and stored in a designated area. Bikes should not be ridden on school property.

### Bus Passes

Bus Passes are sold before school, lunch hour and after school by cash, debit, MasterCard and Visa at the Kiosk (located by the library). Annual bus passes will be available for pick-up the day before monthly passes go on sale. Please watch the announcements for the date each month. Students must have a school I.D. card to purchase a bus pass. If you do not have your I.D. you may not have another student purchase your bus pass. This is considered fraud by Edmonton Transit and they will issue bylaw tickets to the owner as well as the second user of the bus pass for fare evasion.

### Cafeteria

The cafeteria is open all day to students, and breakfast and lunch include healthy choices such as vegetables and dip, fruit cups, soups, and sandwiches. Students are expected to deposit all garbage in the proper bins, and return used cafeteria dishes and trays to the proper containers. Appropriate behavior is expected in the cafeteria at all times.

### Career Information

Our Career Centre is located in Student Services, and offers many services to students. Post-Secondary and Scholarship information to help guide students to create an educational and career plan, and to make course selections and choices around their career pathway.

### Cellphones

Cellphones are to be used only during non-instructional time, and are not permitted in instructional areas such as the General Office, or the Library. At teachers discretion, such devices may be permitted for educational use in the classroom.

### Cheating/Academic Dishonesty

Cheating in any form is not allowed. This includes plagiarizing or copying material from another student or source without attribution, or using unauthorized material for an assignment or exam, or supplying information to other students. Students may be suspended, may lose credits/course privileges, and/or may have to demonstrate learning in another manner. Depending on the circumstances of the case, a variety of consequences may result.

### Clubs and Teams

At Jasper Place, there are many opportunities for students to get involved in clubs and teams. Participation in clubs and teams is open to all students. Please watch the announcements for information.

### Counselling & Student Services

The Counselling office is located at the bottom of the tower.

School counsellors provide:

- counselling assistance to students experiencing personal difficulties
- assistance to students and parents in educational planning
- liaison between students/families and community services
- assistance to students in career planning
- information about scholarships, grants and loans
- advocacy for students in personal and academic development

### Detention Room

Students who are continually late or absent from class may be assigned to serve detentions at lunch in our DT room. Students are expected to bring school work to work on. This area is also used for students to make up missed homework or exams.

### Dress Code

Students are expected to dress in a manner that reflects a positive sense of self within a welcoming, inclusive, safe and healthy learning environment. School expectations for student attire take into account a student's right to fairness, dignity and respect and will not discriminate against students based on race, gender, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, socio-economic status, or body type.

Dress code expectations will be implemented in a manner that empowers students to make decisions that promote a positive sense of self and contribute to a respectful learning environment.

### Emergency Measures (Intruders in School)

If intruders present a threat to student safety, the following steps will occur:

1. The buzzer will be sounded a number of times in quick succession and an announcement will declare a LOCKDOWN to be in effect.
2. At this signal, students are to move directly to the nearest classroom or secure area and await further directions.
3. Students are to remain calm and refrain from using the school phone or personal cell phones.

Further instructions will be provided on the school P.A. system. Our school will participate in lockdown drills throughout the year.

### Emergency Measures (Unsafe Building)

If there is a need to evacuate the school due to an unsafe environment such as a gas leak or chemical spill, the following steps will occur:

1. The buzzer will be sounded a number of times in quick succession.
2. The continuous fire alarm will sound.

Students are to exit the building in an orderly manner and proceed to the gym at St. F.X. School (1 block north) and assemble there with their teachers.

### Examinations

During an examination, students:

- will have no other work or material on their desks other than materials specifically required for that exam,
- will not talk to any other student during the exam time. (cell phones and music devices are prohibited),
- requiring assistance or explanation will raise their hand and communicate only with the teacher
- shall not look at the paper or work of any other student nor will they have anything written on their desks or person, and
- in conjunction with district policy, may only use approved calculators that must be cleared before entering the exam room.

### Exam Break

During the writing of examinations in January & June, regular classes are suspended so that students can study for their exams. Special study classes and tutorials are available for all students who require extra help. Check with your teacher for times and places. Examination schedules are posted in all classrooms and on SchoolZone. Students who have a conflict with exams are responsible for making arrangements with their teachers to write their exams at different times. Exceptional situations require prior approval from the principal or your assistant principal.

### Fees

Fees are payable at the time of registration. If a student is unable to pay fees when registering, arrangements for payment must be made with the administration.

### Fire Drills

There will be fire drills during the course of the year as required by fire code regulations. These are an important part of school safety and students are expected to exit the building in a timely and orderly fashion. Students requiring additional assistance during evacuation will be briefed about procedures.

### Graduation Ceremony Requirements

Students may be included in commencement ceremonies when they have the potential of meeting the Alberta High School Diploma requirements by August of their graduation year. A review of students' eligibility will be conducted early in the Grade 12 year. A listing of eligible participants will be posted throughout the year. Grade 12 students are responsible for checking and resolving any discrepancies from the list with their assistant principal prior to the end of February. In addition, students must have 90% attendance in their Grade 12 year. Students with outstanding fees must resolve these before they can participate in the school based celebrations.

### Gymnasiums & Fitness Centre Use

The gyms and fitness centre may be used by students with the permission of their Phys. Ed. Teacher or other designate. Students borrowing equipment must leave their school I.D. card with the Phys. Ed. supervisor.

### Hallways

Students are not permitted in the hallways during class time. Students who do not have a class scheduled must work in the Learning Resource Centre or Cafeteria.

### Homework

Homework is to be expected in most courses every day, and students should spend between 15-30 minutes per subject each night. Assignments are an essential part of course content and, in order for students to maintain satisfactory progress it is important that assignments are done well and completed on time. If students are having difficulty with an assignment, they should request assistance from their teacher in advance of the due date. Please contact a teacher if you need additional information.

### High School Completion

Edmonton Public Schools allows students three years to complete their graduation requirements at their local high school. Students are expected to plan their course work and requirements within this time span. Students who do not complete their requirements in the three years can attend Centre High to complete or upgrade their high school diploma requirements. A fourth year at the current high school is allowed only under very specific circumstances. In order to receive an application for a fourth year at Jasper Place High School, students must make an appointment to see their Assistant Principal in early March, and must meet very stringent criteria to be considered.

### Illness

If you feel sick during the school day, please report to the office for assistance. If you need to go home, the school will contact your parent. Students who are required to leave school early for medical or dental appointments, personal business or any other legitimate purpose must sign out at the General Office. Students are asked to bring a written note of permission from a parent/guardian indicating the reason for early leave.

### Lates

Students are expected to arrive on time. Students who arrive late are expected to report directly to class, and may have to make up the missed time.

## Learning Resource Centre

Your I.D. card is required to sign out materials and use computers.

## Lockers

Specific lockers will be assigned to all students and will be registered by their teachers. All lockers must be registered with the General Office. The school will provide access to a lock and students are advised not to share their locker combination or to leave valuables in their lockers. Unauthorized locks will be removed. JPHS is not responsible for the security of your locker or its contents. Locks must be returned at the end of the school year. Students will be expected to complete a locker agreement form on the 1st day of classes.

Note: School officials may search a student's locker and seize any illegal materials. Such materials may be used as evidence against the student in disciplinary proceedings. If, school authorities have a reasonable suspicion that the locker contains materials that pose a threat to the health, welfare, and safety of students in the school or the school environment, a student's locker may be searched without prior warning.

## Marks/Appeals

If you have a question about your assigned mark, please talk with your teacher. If you are not satisfied, you may discuss it with the Department Head or, if necessary, your Assistant Principal. Marks are cumulatively determined throughout the school term. The final mark will reflect the full year's work.

## Parent/Teacher/Student Conferences

Conferences are held after the first and third progress reports. Parents are encouraged to contact the school at any time during the school year for additional information regarding achievement and progress, as well as accessing information through SchoolZone.

## Parking

There is limited parking for student vehicles. Parking is permitted in designated areas only. Students are to refrain from parking in staff or visitor parking areas.

## Progress Reports

Progress reports are issued on schoolzone in early November, February, April and June.

## REB

REB is Jasper Place High School's international basketball tournament. It involves teams from around the world and is a first class event with major student participation in a variety of areas. Students who have no unexcused absences will be invited to attend the Opening Ceremonies.

## School Resource Officer

The School Resource Officer is available to help staff and students at any time in order to discuss personal and legal matters.

## School Council

Interested parents are invited to participate as members of the school council, along with representatives from staff, students and the community. The purpose of school council is to provide input on matters related to the school. Contact the school office for meeting dates.

## SchoolZone

SchoolZone is a link between classroom and home. This secure web portal allows parents, teachers and students to access school information including homework assignments, attendance, progress reports, learning resources, school news and announcements. <http://SchoolZone.epsb.ca>

## Skateboards and Roller blades

For the safety of our students and staff skateboards, roller blades, and roller shoes are not allowed to be used in the school or on the school property.

## Smoking/Vaping

Edmonton Public Schools maintains a smoke-free environment. Smoking and vaping is not permitted in the school or on the school grounds, and an Edmonton by-law makes it illegal for all people under 18 to access or smoke cigarettes or use vapes. Students caught smoking or vaping may be fined and/or suspended.

### Sports Medicine & Fitness Centre

An on-site athletic trainer and fitness consultant is available to students through the Jasper Place Fitness Centre. Our trainer also assists in providing support to our Sports Medicine courses, and offers support in fitness testing, nutritional counselling, and the development of a personalized fitness program. Students can receive assistance with training and injury rehabilitation.

### Student Leadership

Become part of the Student Leadership team and help to plan the many worthwhile student involvements for this year! Any students can take part and all are encouraged to participate in the many and varied events throughout the year.

### Student I.D. Cards

Each student will be issued a photo I.D. card. These must be carried by students at all times and presented when requested. Student I.D. cards are bar coded and used to sign out textbooks and purchase bus passes. They are also used to access the Learning Resources Centre, and the Fitness Centre. It is the student's responsibility to safeguard their I.D. card. If a photo I.D. card is lost a replacement is available at the office for a \$5 charge.

### Textbooks

Students can sign out textbooks by presenting their I.D. card in the LRC. Students cannot take out second copies of books or sign out texts for courses not on their timetable. If books are lost, students must pay the replacement cost of the book. Textbooks must be returned before final exams are written.

### Timetables

Timetables are usually distributed during Registration. If students want to make changes to their timetable, they must make the requested change before the semester starts. Students must follow their timetable as scheduled once classes have started. All Grade 10 students must have a full timetable. Students will be assigned a final mark for every course they are registered in. This mark will become part of the students' permanent Alberta Education record and will represent the student's skills,

knowledge and attitudes in the graded curriculum. If a student stops attending a class prior to completion of that course or if poor attendance appears to be a factor resulting in an unsuccessful first attempt at a course, the student may not be allowed to register in that course for the following semester. Students may only be allowed to register in the same diploma course twice in the same year if they write the diploma and if space permits.

### Visitors

All visitors must contact the General Office for permission to be in the school.

### Weapons

WEAPONS OF ANY TYPE ARE PROHIBITED ON SCHOOL PROPERTY. STUDENTS FOUND VIOLATING THIS REGULATION WILL BE RECOMMENDED FOR EXPULSION FROM SCHOOL.

### Yearbook

Our yearbook is compiled of photographs and details of the year's events and activities. Yearbooks are sold at registration in the fall and students should make sure they reserve their book at this time as it may not be available for purchase in June.
